Check www.transhuis.nl for all information

T-huis is a safe space for and by the trans community where you can feel seen, heard, safe and to get the support you need to thrive. We offer you a safe space where you can come if you feel lonely, at risk or need a few hours away from the daily situation. There are social workers who want to support you and activities you can join.

Check our website for more information or send a email to:
